

OVER MY DEAD BODY

By Pat Baker

Lord Earnest Grabbit is a not a man without enemies. His notorious reputation as a penny pinching skinflint, watching every halfpenny that leaves his wallet knows no bounds and affects all those around him – from Daphne the daughter who wishes a new dress for the ball, to Cook – who has numerous bills to pay. With more than a few skeletons in the kitchen cupboards to unearth, the scene is set for an evening of intrigue, blackmail and eventually murder. It is then up to you, our audience, to use your powers of deduction to unmask the murderer(s)!
